Hi John,

There are only three drill pads I'm not sure which facility they are associated with, all others have been determined. Please see the attached excel spreadsheet for Permit Number/Facility Name/Associated GPB Pad.

If you have any questions, please let me know.
Hope this helps. ☺

Hi John,

Working right now on finalizing an FCE report. As soon as the FCE is complete, will start this project (anticipate late this afternoon or early tomorrow) unless something else comes up.

Hi Kolena. I'd appreciate your help looking at a subpart OOOOa Annual Report from BP for the Greater Prudhoe Bay (GBP) area. It's a thick report, divided into 2 parts to fit it in the scanner.

Let me know if this is something you could do in the next week.
